A black and white photograph of a spiral-bound notebook. The notebook is positioned vertically, with the spiral binding on the left side. The cover is a light, textured color, possibly off-white or light gray. In the center of the cover, the words "DRAFT" and "BOOK" are printed in a large, bold, black, sans-serif font. "DRAFT" is on the top line, and "BOOK" is on the line below it. The background behind the notebook is a solid, dark color, likely black, which makes the notebook stand out.
