

1 This poster needs to be past up somewhere in city on a *brick wall near any food shop*. 2 The person who pasts the poster should do it *in day time* and dressed with *red clothes*. 3 A documentation of the action should be taken by *film camera*. 4 On the picture should be visible *all conditions* and *one stranger*. 5 The work will be achieved if *all conditions are met*.

When someone in red clothes pasts this poster, he or she should think about hiking in mountains and swimming in the ocean.
