

The background of the entire image is a complex, high-contrast marbled paper pattern. It features swirling, organic shapes in shades of white, grey, and black, creating a dense and intricate texture. A solid black rectangular box is centered on the page, containing white text.

.nfo gathers ASCII Art headers from *.nfo* information files used as signature by crackers teams that share movie, music or software digital files through peer-to-peer or by direct download. A selection has been made by David Renault and Mathieu Tremblin aka Les Frères Ripoulain from files they have illegally downloaded since they had access to the Internet.
